You must call us in advance to schedule a tour. Because the camp is closed during the off season, it is critical that you call for a specific appointment. If not, no one will be present to show you around the camps and answer your questions.

If you are unable to keep your appointment, please call us.

In the event of inclement weather please call to confirm or cancel. To reach someone the weekend of the tour for cancellation, confirmation or directions you may call Awosting at (860) 601-5842 or Chinqueka at (860) 307-4043.

Camp can be muddy in the fall and spring so please wear proper attire for walking around the camps. Our terrain is hilly and the ground may be muddy at times during the spring or after the winter snow melts.

Our water has been turned off for the winter and will not be turned on again until late spring. Therefore, there are no toilet facilities for the tours. Please plan accordingly.
