

## HORSEBACK RIDING – Camps Awosting and Chinqueka

This is an optional activity for which a fee is charged. All riding is done in the morning at Lee's Riding Stable in Litchfield, using their horses, equipment, and competent instructors. Both English and Western style riding are offered. RIDING HATS ARE REQUIRED. Campers may bring their own or use those provided by the stable. A maximum of three hours per week (in any combination) may be scheduled.

Payment MUST be made by opening day and should be included with tuition. Every effort will be made to reschedule lessons missed because of conflicting camp program or illness, but payment made for unused lessons will be refunded in September.
